FLAIRPLC RETURNS FORM

We would like you to be completely happy with your purchase. However if you need to return the items follow these steps:

1) Please contact our customer care team at customer.care@flairplc.co.uk or leave a message on 0208 652 1140.
2) If you are asked to return the items you will be given a Returns Number code. Please write this code on the label below and complete the other sections.
3) Package and return the items to us including this completed form. For all damaged or faulty items returns Free Post returns will be arranged by our customer services team.
4) All returns must be securely packaged to avoid any damage in return transit using the original packaging or another box, if you prefer. If using the original box please ensure old shipping labels and barcodes have been removed or if unable to remove please clearly cross them out.
